HOW TO BOOK

Type the booking URL into your internet browser. If it does not take you directly to the site, click on the first gametime link that comes up in your search.

Once you reach the login page, type your username and temporary password into the required boxes. You can change both of these later in your account settings if you wish.

Under the “DASHBOARD” button, you will see any updates to the office posts. When you click on the “TENNIS, PICKLEBALL and LAP SWIM,” buttons, it will take you to the booking page for that sport. There is also a tab “CLASSES & EVENTS”, where you can register for club activities.

The top row of the page is where you will see dates you can select for booking. We operate on a 7-day rolling schedule.

Any squares that are the cream color and don’t have a name in them are available to be booked. Any other colors have already been booked.

Click on the time you would like to book and your name should be preloaded into the “Player 1” box. For tennis, if you would like to play with the ball machine, it is available to use on Indoor A and B. There is a small check box on the booking page that says “Ball Machine” - check that box, and you are good to go! You can also add another member to your booking by typing their last name in the “Player 2” box. Please do not adjust the times of your booking as they are preset times.

To complete your booking, scroll to the bottom of the screen and click “BOOK.” You will see a green check mark at the top of the page confirming your booking and you will also receive a confirmation email.
